CCHS students donate to Boys & Girls Clubs

On May 16, a group of 16 students from Concord-Carlisle High School presented the Boys & Girls Clubs of MetroWest with a check for \$4,000 through the Foundation for MetroWest's Youth in Philanthropy Program. The funds will support the Teen Leadership programming at the Framingham Clubhouse, specifically to help finish the dedicated Teen Center at the Pearl Street location.

"We are thankful for the continued support of our teen programming," said Fran Hurley, president of the Boys & Girls Clubs of MetroWest. "The investment

the Foundation for MetroWest and the Youth in Philanthropy group from Concord-Carlisle High School have chosen to make in our youth in Framingham will ensure that our members continue to have access to safe and fun programming. It is remarkable that this group of MetroWest youth is dedicated to giving back to their community and supporting other youth."

The funds will help support the quality Teen Leadership programming offered in Framingham Clubhouse's dedicated Teen Center, allowing recruitment and re-

attention of at-risk youth to keep them positively engaged within the Club. The Teen Leadership programming is one of the many programs offered at the club, which are all based on a youth development strategy that fosters a sense of belonging, competence, usefulness, and influence.
