

## ENROLLMENT BY DISABILITY

### Overview

This report contains data by MetroWest school district on the numbers of students in that district affected by specific types of disabilities. Along with the number enrolled in Special Education programs, the data breaks down by subsets of physical, emotional, and intellectual disabilities.

### Massachusetts Department of Elementary and Secondary Education

- **Geography:** District
- **Year:** 2009-2010
- **Website:** [www.doe.mass.edu/infoservices/reports/enroll](http://www.doe.mass.edu/infoservices/reports/enroll)

### Key Findings

- Report attached provides information about school enrollment by type of disability.
