

## **LYFS receives \$5,000 grant**

Foundation for MetroWest awarded a \$5,000 grant to Lexington Youth and Family Services (LYFS). The grant will allow LYFS to expand evaluation and crisis intervention services from one to two afternoons each week, and provide an adolescent and parent support group in the evening.

“The MetroWest is defined by the strength of organizations, such as Lexington Youth and Family Services, working tirelessly to improve the quality of life in communities throughout the region,” said Judith Salcrno, executive director of Foundation for MetroWest. “Each year we are incredibly moved by the aspiration of these organizations to serve their communities and we are proud to be able to support them in a small, but meaningful way.”

In 2011 the Foundation for MetroWest distributed approximately \$600,000 throughout the region and has distributed more than \$6.5 million since its inception in 1995. For more information, visit [FoundationforMetroWest.org](http://FoundationforMetroWest.org).
