Land's Sake was awarded the \$5,000 to fund a planning grant to help the organization study and set up youth environmental education partnerships around MetroWest.

"The Foundation for MetroWest believes it is incredibly important to support organizations that are improving the quality of life in the region, such as Weston's Land's Sake," said Judith Salerno, executive director of Foundation for MetroWest. "With the challenging economic climate continuing to persist we are glad that in a small but targeted way we can help these organizations fulfill their mission to serve their community."
